

Working to Pass House Resolution 24
My Script in the Great Drama of Justice and Democracy – Winning for HR 24!
On the phone, on the street, at the Representative’s House

(There’s Representative Jefferson Smith.)

Me: Representative Smith?

Rep: Yes?

Me: Hello, my name’s Tomasina Paine. May I talk to you a minute about some legislation?

Rep: Sure, for a minute.

Me: I want to ask you to support Betty Hall’s HR 24, I’m sure you know about it.

Rep: Yes, I know about it. But . . . I’m not sure . . . I can support it.

Me: Oh, Representative Smith, you must vote for it, and here’s why. I’m talking to every representative I can because I believe our state has the chance to stand up for our constitution and demand that our laws be respected. HR 24 is really just telling our congress to do its job, and that means finding out if there are violations of our laws, and when there are, people who break the law have to be held to account for it.

Rep: I’m not sure it’s our place here to tell congress what to do; my job is to represent my district in our legislature.

Me: It sure is and I’m so grateful to you for that. We’re all also committed to preserve, protect and defend the Constitution of the United States, and when there’s evidence public servants like the president and vice president have broken that oath, then we all have an obligation to insist that nobody’s above the law.

Rep: That’s true, but . . .

Me: All we want is hearings and investigations in congress, and if they show cause for the impeachment of President Bush and Vice President Cheney, then the laws should be followed. I’m just asking you to please support HR 24 so we can maintain our system of justice and democracy. Is there anything else you need in order to vote for HR 24?

Rep: Well, I’m not sure it’s as simple as you suggest. In life things are complicated.

Me: We have lots of documents and background information you can look at. Please check Rep. Hall’s web site at Hall4Impeachment.com, plus we have more information at the web site ImpeachThem.com. If you want to talk to Rep. Hall or any of her assistants, I have some phone numbers.

COSMIC NOTE OF COUNSELING TO ACHIEVE VICTORY, JUSTICE, DEMOCRACY & ALL THE GOOD STUFF:

Do not scream, badger or swear. ALWAYS be polite. Remember you are representing Betty Hall, the great patriot and legislator who’s working to save our United States. If the person’s an idiot or is in anyway offensive to you, and you feel you are losing it, take a breath and excuse yourself. Go ahead and ask the representative, “What is it you need to have to persuade you that voting for 24’s the right thing to do? Tell me and I will do everything in my power to make it happen for you. If you need some information, I will try to get it for you.” Refer them to me – Hutch – Cell 862.226.6939 – info@impeachthem.com. Even when the rep says she won’t vote for 24, express sincere thanks and tell her you won’t give up on her. The bottom line for us is *GET THE VOTE FOR 24!* If you need help, call one of us. Always good to canvass with a partner, revolution and justice love company!
