The vote is **April 16th!**

“We were invited by New Hampshire Representative Betty Hall to submit our analysis of certain of the impeachable offenses of the Bush-Cheney administration and the role of a State Legislature in impeachment under our federal constitutional system. — THE PURPOSE OF THIS MEMORANDUM IS TO ADDRESS VARIOUS ACTIONS OF THE CURRENT PRESIDENT AND HIS ADMINISTRATION THAT, IN OUR OPINION, HAVE BROUGHT OUR COUNTRY TO THE BRINK OF A CONSTITUTIONAL CRISIS. We propose that the New Hampshire Legislature carry out its unique role in our constitutional system by passing a resolution calling for the impeachment of the President and the Vice President.”
