The Honorable Reed Gusciora
Assistant State Majority Leader
New Jersey General Assembly
226 West State Street — Phone 609.292.0500
Trenton, NJ 08608

Dear Assistant Majority Leader Gusciora,

This comes in a matter of great urgency for our state and our country, and we ask for a half-hour meeting at your office at your convenience as soon as possible. We ask to have a group of ten people attending to you.

We formed our group over concerns of what the Bush administration's done to our country, and to New Jersey particularly. Our group, located on the web at ImpeachThem.com, is a primary New Jersey Impeach Group, and we work with Central and South Jersey Impeach Groups.

Back last fall, when we learned that you drafted A Resolution to Impeach President Bush, we arranged for a delegation of us to meet you at your Trenton office on 18 December 2006. You postponed the meeting and Stuart Hutchison arranged to meet your chief-of-staff on 3 January 2007, when Mike DeLoreto let Hutch read your resolution. It was understood we would meet with you to discuss advancing your draft resolution to introduction in the legislature, and what part we can play in helping to line up the support necessary to pass the resolution. We believe the time's overdue for the introduction of his resolution to impeach, and we want to talk to you about supporting it and co-sponsoring it.

While there are some points in the resolution we want to "enhance," we believe the language is excellent and accords with our proposed language. Our papers are all available under Key Documents at ImpeachThem.com.

If you will take the lead, we believe your resolution can pass with relative ease, and we don't understand why you continue to hesitate in introducing it. Action is needed and time is crucial now. I am asking you personally, to move now for the sake of our state and our commonwealth, and we ask again for a meeting soon as possible.

Thank you for you consideration and prompt attention in this matter.

Very truly yours,
